SY BUBBLE — Beneteau Oceanis 400 (1993)

Full Inventory & Specifications — Osor, Cres, Croatia · French flag, EU VAT paid

CONSTRUCTION

- Hull: GRP (Fiberglass) hull.
- Deck: Sandwich construction (GRP with balsa core).
- Keel: Cast iron keel, 1.65 m shallow draft (ideal for Med anchorages).
- Rudder: Spade rudder.
- Anti-Osmosis: Complete professional treatment with Nautix (7 layers) done in 2025. All new through-hulls and seacocks (2025).
- Antifouling: New Nautix A4 Yachting Antifouling (2 layers) done in September 2025.

INTERIOR — 3 Cabin / 2 Head Layout

- Rich cherry joinery throughout with solid wood trim and white leatherette upholstery. Teak and holly style sole.

Salon

- Large opening ports and hatches and solid windows in the hull side allow an abundance of natural light and air into the salon.
- L-shaped dinette to starboard with a centreline bench that seats six comfortably.
- Large dining table. Storage under dinette plus enclosed lockers outboard.
- 2 large mirrors with lights. Ambiental LED RGB lighting.
- SmartBoat/multimedia compartment. 22" 12V HD TV/Monitor.
- Temperature/humidity sensor. Fire extinguisher. AC ice maker.

Galley (Linear to Port)

- Gas stove with 2 burners and oven. Counter LED red/white light.
- Top loading refrigerator with freezer compartment.
- S/S double sink with pressurized hot/cold water, salt water foot pump. Fitted cutting boards cover the double sinks.
- Top loading dish drying/icebox compartment. Storage in lockers outboard/under the counter.

Nav Station

- Chart table: front facing desk with storage, comfortable chair with storage.
- AC/DC distribution panels. iPad with "Ship's Log Book for Captains" App.
- iCOM IC-M330GE Black VHF. iCOM IC-M25 Handheld VHF. iPIRB3.
- Fire extinguisher. Fire/smoke sensor. Victron BMV-712 Smart battery monitor.
- Stereo HiFi. Barometer/Hydrometer/Clock.

Owners Cabin (Forward)

- Pullman double berth with storage drawers below. Bench seat for easy dressing.
- Fire extinguisher. Temperature/humidity sensor. AC electric radiator.
- Ambiental LED RGB lighting. Hanging locker. Opening port and opening hatch.
- Reading light. Fan.

Ensuite Head (Forward)

- Large head compartment with integral shower. Seat covers the toilet for easy seating while showering.
- Fiberglass molded compartment for easy cleaning.
- Vanity includes sink with hot/cold water, storage below the counter and outboard of the sink. Shower sump pump.

Aft Cabins

- Two identical cabins with double beds, hanging lockers, shelving, opening port and hull skylight. Both good sized cabins.

• Starboard Aft Cabin: battery compartment; master battery switches for house and start; fuel cut-off; Autohelm compass in hanging locker; temperature/humidity sensor; fire extinguisher; fan.
• Port Aft Cabin: fresh water tank; temperature/humidity sensor; fire extinguisher; fan.

Guest Head (Aft)

• Integrated shower and head. Manual Jabsco toilet. Opening port.
• Moulded vanity featuring sink, hot/cold water, storage below and behind the sink.

MECHANICAL

• Engine: Perkins Prima M50, 4 cylinders, 50 HP.
• Engine Hours: Approximately 2,000 hours.
• Cooling: Fresh water cooled via heat exchanger.
• Propulsion: 30mm S/S shaft with new dripless shaft seal (2025).
• Propeller: 3 blade Max-Prop Classic bronze (serviced 2025).
• Fuel Tank: 1 x 151 litres.

ELECTRICAL + PLUMBING

• Electric system: shore power 30A; 12VDC & 230VAC distribution panels (breaker protected); battery charger Protech 25A; GFCI protected outlets.
• Batteries: start battery 12V 105Ah lead acid; house batteries 2x GEL 12V 150Ah deep cycle (2023); galvanic isolator.
• Plumbing: 2 x water tanks (aft port cabin + under forward pullman bed), 530 L total; hot water heater Atwood 22 L with AC/engine heating; electric bilge pump 4.5 GPM; manual bilge pump; Jabsco manual marine toilets in each head.
• Electronics: Raymarine Axiom 9+ GPS/Plotter; Autohelm ST6000 Autopilot; Depth/Speed Autohelm; Garmin AIS 800 Blackbox Transceiver; iCOM IC-M330GE VHF; iCOM IC-M25 Handheld VHF.

SAILS & CANVAS

• Mainsail: Elvstrøm Sails mainsail with in-mast furling.
• Genoa: Elvstrøm Sails furling genoa (125%).
• Additional sails: Spinnaker, storm jib.
• Canvas: Dodger, bimini.

RIGGING + DECK GEAR

• Mast/Boom: Aluminum Z Spars deck stepped mast and boom.
• Standing rigging: stainless steel wire, double spreader, split backstay; replaced in 2018.
• Running rigging: lines lead aft to cockpit through clutches; lines replaced in 2023.
• Winch system: primary 2x Lewmar ST#48 self-tailing; halyard 2x Lewmar ST#30 self-tailing.
• Deck: mainsheet traveller (forward of the dodger), genoa cars pin stop adjustable.
• Safety: stainless steel stanchions with double lifelines, side gates; jack lines + net on all fences (2023).

COCKPIT EQUIPMENT

• Comfort: large comfortable cockpit with bench seating and cushions; teak on seat and helm seat; cupholders; cockpit speakers with a switch for VHF.
• Steering: fiberglass molded binnacle with integrated table with storage/icebox and fold-up leaves.
• Lighting: ambient lighting LED strip with remote control.
• Controls: engine controls and gauges on the binnacle; Raymarine Axiom 9+ in plastic box with 360° swivel; sturdy S/S hand holds.
• Storage: two large lazarettes plus one in the aft quarter; propane locker.
• Transom: fold down helm seat allowing walkthrough access onto the swim platform; transom shower with AC water heater; swim ladder; 2 storage lockers in the swim platform.

ADDITIONAL EQUIPMENT

• Tender: Arimar 210 tender. Outboard: Mercury 2.5 hp outboard.
• Anchoring: main anchor Bruce 15 kg with 54 m 8 mm galvanized chain; second anchor; Lofrans Tigress 1000 W, 12V electric windlass; Quick chain counter (2023).
• Safety: Arimar life raft for 6 people (2023); 3x self-inflating harness lifejackets (2023) and 7 lifejackets; 11 fenders; emergency tiller.
• Misc: 2x propane 5 kg bottles, 2x fishing rod holders.

MAINTENANCE & UPGRADES — 2025 (Completed Major Works)

• Complete anti-osmosis treatment with Nautix (7 layers).
• Nautix A4 Yachting Antifouling (2 layers). New waterline.
• All new through-hulls and seacocks. New dripless shaft seal.
• Engine service. MAX Prop propeller service.
• Both Jabsco toilets serviced. Complete zincs change. New HiFi/Radio.

2024

• Hempel Antifouling. DIY boat multimedia entertainment system and Smart Boat integration.
